“ I meant Lorie several years ago I felt such a connection to the whole family I loved them dearly .. I can't believe you are gone but never will be forgotten... Jerry and Lorie was amazing couple they not only did the talk they walked a very Christian life strong in their faith... the Love Between Jerry and Lorie was very strong and anyone around them could see that.. I'm praying for the family this is a hard time but so many memories to hang on to I remember Lorie and I cooking thanksgiving dinner one year.. I was truly blessed to call her my sister by a different mother and she was always a true loyal friend. Jerry my heart breaks for you and your family you had such a closeness like no other.. I'm sure you will feel her still around you.. love you guys and miss you all so much.. I wished I would be able to be there and so sorry I can't make it.. you will be in my thoughts and prayers..

I was adopted in Hawaii and only discovered my siblings a couple of years ago - i have spoken to Laurie on the phone but never got to meet her. Jerry and family, i am so very sorry for your loss. Sincere sympathy from myself, my daughter Jennifer and my son Jeffrey. Aloha and love from Hawaii.

“ I did not have the privilege of meeting Laurie in person. Her brother (John Kanoa from Hawaii) and I are not able to attend her services. We wanted to express our sympathy to Jerry, her children and grandchildren. Heaven has gained an angel.
