“Mrs. Martha L. Wilson will always have a special place in my heart. She was an awesome Math Teacher, who went beyond to help the students achieve the concepts of Mathematics. Even after High School, she still gave words of encouragement during my College, Grad School years and Ministry. I am so thankful to God for allowing our paths to cross. She was a beautiful Child of God, always making a difference in the lives of other. ”

“ All of the members of North Mississippi Dulcimer Association will miss this beautiful gentle lady. We could always count on her being present at all of our events. When Carl and I were learning to play, we always liked to sit near her so we could try to match her strum. We will miss you, Martha Lee.

“ Martha Lee, thank you for always being with us at Tupelo Visitor Center's monthly Dulcimer Day. Thank you for the many moments we've shared in Collinwood, TN Welcome Center and the nights of laughter and sharing we've had at Monetta's Cottage.

Thank you, too, for the annual treks to Mountain View AR with Forrest and Eileen as well as the special times at Trace State Park "Dulcimer Rendezvous."

Most of all, thank you for showing up in our lives with your bigger-than-life beautiful loving heart . We will miss you so much. ~Terry Brewer

“ Martha Lee was very kind to all of our family. She helped us with our parent's 50th wedding anniversary and wrote a poem for mom & dad, (Forrest & Eileen Smith). She had a sweet soul. She will be missed. I am picturing my dad with her playing dulcimers and entertaining the other angels!
