“ I was so sorry to hear of Randy's passing. My office is next to Randy's former supervisor's office and Randy would often stick his head in to say hello. From our many conversations, there is one thing that was evident. Randy loved his family! He especially liked to talk about his grandchildren. He was so proud of them. It makes me very sad to know that he didn't get to enjoy the retirement that he was looking so forward to. Please know that you will be in my thoughts and prayers.

“ All of us at the Family Clinic of Falkner loved Mr. Randy. We talked many times about his retirement coming soon and how he was just gonna sit in the shade. I wish he had gotten to enjoy what he had worked so hard for. You are all in our thoughts and prayers.
