“ *Bonnie,
I'm so sorry about the loss of your mother. I have just learned of it. I wish I could have been there for you and I would have had I just known in time. I will be praying for you, your sisters, and your families. Just look to GOD for the comfort that only HE can give.
I love you.

“ I just heard of your loss today & my heart hurts along with all of you. I think of all the times I spent at the Luna household & what fun I had there. Alice was always so sweet to me. I loved to come there with Carol because I knew I would be treated so kind. May God Comfort your hearts as only He can. I love you all.
