“ *I remember Amie, Archie and her 2 children would visit our family(James L and Pauline Mardis) in the mid 60's. She was always a kind and caring person. After HS and college, I moved out of the area and rarely had an opportunity to visit with them. Our thoughts and prayers are with the family. If any of the family would like to contact me, please feel free to do so, I would enjoy talking with you.*
