“ Ann has been a very special friend to me the last 20 years as has her precious Family. Ann loved life . No one would ever had believed she was 93 because she would have easily passed for 75. She will always hold a part of my heart and will be missed greatly . I send her Family my deepest condolences and especially her daughter Susie that has taken such wonderful care of her for many years .

Donna Ward - November 01, 2022 at 09:33 PM

We will miss her dearly. She has been my second Mom, so full of life and so giving. Through all the years I have known her (53 years) she treated me like a daughter, I loved her very much. Rest In Peace Mom, we will see you again.
