“ Jimmy and Lynn, I can not thank you enough for allowing Andrew to be a huge part of our lives. No one has ever given me a gift quite like him. I truly believe his purpose was to save each one of us. We've all strengthened our relationship with our Lord and with our earthly families. There will never be a day that passes that Andrew won't cross my mind and I know that I am a better person because of him. I love you both dearly, and my goal is to TRY and be as good a person as he succeeded in being in just 16 short years. I love you. Lisa

Andrew needed the two of you for many years. It is such a blessing he had yall. My dear friend Lisa, I know how much Andrew meant to you and those precious girls. He loved each of you back the same no doubt! He was blessed to have his Aunt Lisa by his side even if she didn't know much about Lynard Skynard!!!LOL! I am sure I have left many others in the family that loved Andrew just as much. My prayers are with you, too! Can you imagine how sweet it must be rest at the feet of Jesus? No pain, no suffering, not a tear!
