“ To Waymon & Geraldine - my heart is with you both in your great loss. Audrey has always been a wonderful and beautiful person. I have always loved her and will do so forever. We were always very close Buddy's and enjoyed the same outlook in life. She is at peace now and I'm sure the Angels in Heaven will look after her forever and ever. I wish I could be there in your time of grief but I cannot. My heart and mind is, and always will be, with you.
