“ Sister Audrey was my Pastor for many years in Cantril ,Iowa.. I met her and her precious husbund Bro. Bill at a church service they were conducting.. Sis . Audrey was not only a mentor in my life but a **Inspiration** as a Pastor... I admired so many things about her not only as a True Women OF God, But as a real person who taught me many things about the ways of the Lord... I sent her a birthday card and not knowing it would be the last... I have so many memories of her and the church and especially her and her Husbund singing the song called.. Harvest Time.. May her remaining family be confortd in knowing she is now at peace and no more sorrow , no more pain... May those who remain take comfort in fond memories of her Life... She will be sadly missed... God Bless the Family...
