“ *My father was the stronger man that I've ever met in my entire life. My dad was a giving man. My daddy was a peace maker. My dad was a family. Daddy was provider and he loved his children as well as his family. Dad love to rabbit and deer hunt. My dad was a very hard worker. My dad was ready to go be with the Lord. Dad was tired of going to the doctors and they couldn't tell him what was wrong with him. My dad was my best friend and I didn't play around him. Dad loves me his grandchildren do much. Dads last wishes were to take care of my kids and I've made him so proud. Dad, continue to watch over us and stay walking behind me daily. I miss you Pops. I love you too*

We love you all. Daddy was one of a kind. He had a laugh like no other. I use to laugh at him when he was laughing. When daddy got tickled, he would cry laughing. Oh how I wish I could hear that laugh one last time
