“ *In May 1974, the day you got to come home from the hospital, I was so happy I was getting a baby sister, it snowed that day & I went out & shoveled the whole driveway so mom & dad could get you in there. I remember being so excited. 50 years & 3 months later, I'm praying for you to keep fighting. Then I started thanking JESUS for those 50 years. You are one person I don't have to worry about making it to Heaven. I know the life you lived & know exactly where you will be. BUT... I'm so heartbroken, who will I call in the middle of the night & talk to for hours when 🏠🏠🏠🏠*
