“ *We are thinking of you at this 1 year Anniversary of Barry's passing. We pray that God will hold you close to HIM at this difficult time in your life. I worked with Barry at Walmart. Everybody loved him. He always had a smile on his face. He joked with us at work. We will always keep him in our memories and thoughts. God Bless you and your family.*

“ *Susie & Gene,
My heart is broken for you both. Susie, I cannot even begin to imagine your loss. I have so many great memories of times we spent together. Barry was a special person and will always have a special place in my heart. I pray for peace and comfort for you. Gene - I know how hard it is to lose a parent. It is probably the hardest thing I have ever faced and I pray God's hand of comfort be with you now and the many difficult days to come. It is important to remember the many good times as those are with us forever. It is so hard to understand why these things happen to good people. It is all part of God's perfect plan that we will only understand when we reach Heaven. I love you both and my thoughts and prayers are with you today and especially the days to follow as they are so difficult.
Love always...Kim*
