

Benjamin "Wayne" Ridge

November 12, 1945 - November 25, 2021

Benjamin "Wayne" Ridge passed away on Thanksgiving, Nov. 25th, at his home, trusting in God's sovereignty in all things and surrounded by loved ones. He was born December 12, 1945 to Benjamin Garvin Ridge and Lillie Waldon Ridge. He was a musician and businessman who was also talented at repairing electronics of all types. He used his abilities to start his own business, Ridge Music and Electronics, which he operated with his wife, Edith, for over 50 years. He enjoyed talking to his customers, helping local churches with sound systems for their worship services, and encouraging budding musicians by listening to them play a little and then picking up a guitar to join them. He believed there was tremendous talent in North MS and loved promoting local artists. He was also an amateur radio operator (K5YPV) and from a young age was able to communicate with people from all over the world, long before cell phones made it easy. He loved to go exploring and that included traveling to new places, meeting interesting people, camping, visiting historical sites, and just driving down a country road to see where it led. In his later years, his adventures often included his grandchildren as he enjoyed teaching them and spending time with them.

He is survived by his wife, Edith Mauney Ridge, his daughter Angie Ridge Taylor (David) of Saltillo, two sons, Benjamin Ridge and Jeff Ridge of Ripley, four grandchildren; Kathryn Corley Taylor of Boston (formerly Saltillo), Samuel Ryan Taylor of Saltillo, Benjamin Jayden Taylor of Brookhaven/Saltillo, and Andrew Ridge Taylor of Saltillo, and a host of extended family.

He is preceded in death by his parents and brother, Larry Ridge.

A private graveside service will be held for family.

In lieu of flowers, please share a memory on the condolences site of McBride Funeral Home and take a moment to appreciate God's gracious gift of music.

“ I remember first meeting him back in the 70s... I bought an 8 track tape player and speakers from his Ridge Music / Radio Shack store ... Karl Bullock help me pick out some tapes...lol ... Wayne was always helpful with any questions I had about anything electronic wise... It was a pleasure to know him all these years...

“ I am so sorry for your loss. Mr. Wayne and Mrs. Edith played such an integral role in me and many others becoming musicians. I always loved going into the store and cutting up with him and playing guitar with him up there whenever I could. He was a great man and will be dearly missed.

“ *Edith and family...I am so sorry to hear about Wayne's passing. I have so many memories of the Ridge family from my earliest childhood. Wayne's mama, Mrs. Lillie, was one of my Mama's best friends. Mama worked some in Ridge's general store. I loved going with her sometimes and just watching the going on. I could usually hear music coming from the new Ridge Music Store next door. Such a happy, comforting atmosphere. I got my first guitar when I was 12. After that I was in the music store more often buying guitar strings, picks, capos, etc. It was always a pleasant experience to come in y'all's store! Benny bought my second guitar from Wayne many years ago for a surprise Christmas present. I think when people think about music in Tippah County they will always remember Wayne! May God bless and comfort all of you in this sad time. 🙏🏻*
