“ *I am very sad to hear about Aunt Bernice passing away. I have many happy memories of Aunt Bernice (aunt Sis). I didn't get to see her very often because we lived in North Dakota. The times we spent with all our relatives in Mississippi were very special! I will keep her and Jimmy in my prayers. You are always in my heart.*

“ *I am sorry to hear of Bernice's passing. Even when it is expected it is hard. I know that you more than took care of her in her later years. I will remember Bernice as always being very neat in her appearance, and that everything had to be "just so". We won't be able to make it for the funeral, but please know our prayers are with you and Bernice.*
