“ *My granddaddy Dave Brazil still thinks of her and misses her everyday. He still believes that she's still alive and sees her and goes and bites her in the hospital where she passed. It's hard seeing him like this but one day soon they will see each other again!!!! Love ya grandma*

“ *So sorry to learn of Bessie's death. Her sister Billie Jean and I were good friends and Bessie was her running-mate so she was a good friend too. We lived in a little house where the Ford Motor Co. is now and we spent a lot time together at home, school and many nights. Through the years Bessie and I talked a lot and I will miss her. Since she is the last sibling they can all join their parents in Heavenly Bliss. May God Bless each of you. Oh yes I must tell you that the one thing the three of us had in common was the love we had for Roy Rogers and we liked Trigger and Dale. With love Margie Griffin Sharp*
