“ *The James Family,*

My heart breaks as I type this.....I am so so sorry for our loss of Betty. She was an awesome woman and I have replayed all the memories in my mind and she and I had made over the years, and those memories will always be close to my heart. Those memories make me smile, she was always special to me. I wish there was something I could say or do to lessen your pain. Know that I am with you today and in the days to come.

You are in my thoughts and prayers daily. If there is anything you need, please do not hesitate to call me.

Once again, I am so sorry for your loss!!
