“ *I have such wonderful memories of Sue. She was always so welcoming and when ever we would come to Mississippi and go to Walnut, she would always grace us with a Coke in a small bottle and tell a wonderful story. It was a privilege to have known her and I look froward to seeing her again in heaven.*

“ *I will alway remember how sweet Miss Sue always was to me. She was such a fine lady. Miss Sue had so much love for all of you. She also had enough love to love others in her life too. I always felt so comfortable with her. Like she considered part of the family too. Sending my love and prayers to all of you.*
