i was able to know Blake for quite some time through being my sister, Amber Johnson. Blake was such a great Christian young man. He left a great impression on everyone he was around. Blake always had a smile on his face and a gentle spirit about him. We enjoyed getting to know him and spend time with him here on earth. We look forward to seeing him in heaven again one day. We pray that God gives you strength and faith during this difficult time in your life. We love you Blake and you will be missed greatly!

“ *Kristie and children,*

There are not adequate words to describe our feelings right now as to let you know how our hearts are grieving for you and ourselves. Blake was the most gentle spirited young man I have ever known. Even through adversity, he shined for the Lord. You have done a wonderful job in raising such a loving, respectful and kind young man. We will miss him terribly. We are praying for God to lift you up in this most sorrowful time. We love all of you and most of all we loved Blake !
