“ *Aunt Brenda touched the lives of so many people. To know her was to love her!! She had a heart of gold and a sense of humor always joking with her brothers. She made sure you knew how much she loved and cared for by her and she was so proud of her two boys, Charlie, & Alan she cherished them deeply and I know they will love, & miss her more than anyone! Sorry for your loss and so sorry that we can't come in person. All our love, Jamie & Eli*

I have so many memories over the last 25 years that I will cherish forever. I know that you are no longer sick and in pain and I'm thankful for that, but I'm heartbroken and selfish because I wasn't ready for you to go. We shared secrets, many laughs and some tears as well. Thank you for loving me like your own Brenda. "Nana" to Taz. I am forever grateful that our last words to each other were I love you.

I love you and I'm going to miss you. We had such good times together through the years. You made even the very hard times fun and easier to get through.

Tell everyone for me hello there in Heaven. Enjoy your new life, you truly deserve it. Until we meet again I want you to know I love you.
