“ *We stayed with Ken and Brenda at Herb Parson Lake on one occasion and had a great time! Ken showed us how Brenda would make sure the work crews would do the right job raking leaves and keeping the grounds looking good. I was talking with one of the men in the work crew that didn't know I was Brenda's brother; he said, if Mr Ken don't hurry and get back out here, she is going to have us go rake all the leaves out of the woods around the lake!*

“ There are so many great memories with Brenda Brown. I had the pleasure of growing up around the family at Herb Paraons Lake and got to know and love her and the family so very much. Brenda was another mother to me and didn’t mind correcting me or any of us if we were acting up. One thing I still do that I learned from her is twiddling my thumbs while sitting in church or any event to keep myself occupied. She will dearly be missed but was lived by many including me
