“ *Our family will feel this loss in a mighty way. Brenda was always making people laugh and didn't mind being picked on by so many others. We always had so much fun being together. Her many trips to the table to keep anyone from eating by themselves, always laughing, always cleaning. The way she carried on when Uncle Dean would get her little toe, watching her do the twist, so many stories - she knew how to have fun. Even when she was sick she still made me laugh with her witty ways. She was a very special lady! I know she would want us to cherish all the memories and fun times, and through these memories she will live on in our hearts. I loved Brenda and I love all of you!*
