“ *Aunt Brenda was a one ok a kind kind of person. If you had ever met her I'm sure she left some kind of impression on you. She was a jokester and Her love for her animals knew no bounds. She wasn't dealt the best life but it made her the loving strong willed person she became in the end. I find peace in knowing that you and Chastin are watching over us all now. It's not goodbye, it's till I see you again*❤️

“ *Brenda Sue Fuller was my Mom, but she was so much more than that. She was the kindest, warmest, most genuine person I have ever known. Life was very tough on her from a young age, but my Mom never stopped being optimistic. I missed so much time with her growing up, but am so grateful to have reconnected with her in recent years, and because of her faith in Jesus, I will see her again in eternity. I love you Mom and miss you more than I can say.*

“ Brenda was always a hoot to talk & listen to. She loved giving my dad a hard time about politics, those memories will last forever 😊 She was a lover of all animals & wasn't ashamed to show it, she wanted them all. Our last visit to see her, Linda & Robert was in 2018 & it was wonderful! She was taken away too soon. She will be missed deeply and will NEVER be forgotten. Love you Aunt Brenda!
Love Always,
