“ Our deepest sympathy goes out to the family. Thirty years ago when we were moved to the area to start a new career at TCI, Glenn was the first person to reach out and make us welcome. Glenn was a true caring friend and southern gentleman. We are better off from having known him.

“ *Bro. Glenn was such a good friend. There were numerous times when I needed a sounding board, but I don't ever remember his not having the time to listen. My prayer is that God will give me the wisdom I know Bro. Glenn had because he listened to Him.*
