“ We will always remember Bro Omega as one of the best friends anyone could have. Over all the years we have know him, he never changed always had a smile and friendly with everyone. Great man of God and a great singer, and he use to go with us to sing. We had church service in our garage at Collierville for a long time and he came and preached most every week or him and the family was there. Will be greatly missed. Love the family, and love and prayers for all.
