“ *I can't begin to imagine the pain and suffering you are going through right now. My heart breaks for each of you during this painful time in life. Please remember God has not forsaken you, this is the time He is carrying you. We don't know God's plan for our lives, but He does have a plan, even during this tragedy.*

Don and Tricia, you know I love you and I'm praying for you. You two are wonderful friends and my heart is aching as I see your pain.

For all the family - if there is anything we can do to help please let us know. Our love, thoughts and prayers are with each of you!
