“ *My husband had a job which had him away from home a lot when our daughter was in preschool. Kaitlan become friends with Haley in preschool and Kaitlan was able to see Carl interact and play with Haley which helped teach my daughter what a loving father does. Carl and Christy were sweet, hardworking honest people that I was so proud they provided a fun loving environment for our daughters to play in. I haven't seen Carl or Christy in some time, but they rose to the occasion again at Haley's wedding. My daughter drive thru 3 states to support her friend Haley. And I was okay as a mom with her making the trip because I knew Carl and Christy were there if Kaitlan needed anything. God bless the entire family. The Stucky's are thankful for having met Carl Kilcrease. Hugs to Christy and Haley ands orayers for all.*

“ For my brother Carl, I will always love you, I will always remember your smile and what a great man you were. There was never a time you couldn't listen, there was never a time I wasn't proud to say you were my brother. You have no idea what a wonderful impression you made on me and so many others. You gave me hope and showed me love when I was at the lowest points in my life. It is remarkable how many people you touched and the love you shared. It's going to be hard for all of us here to not see you or just to make a call to hear your voice, I do know one thing, God has a new angel, and I will see you again my brother,,I love you man..so much

“ I knew Carl from the Ozark office. I was a young man at the time and he was always very willing to stop what he was doing and help me learn. I have thought of you guys many times over the years since you left the Arkansas river valley. Thank you for being so very patient with me many times and for being part of my life Carl.
