“ *Shane, I wish I could take the pain away that you are feeling but I can't. I don't know what you are going through by losing a parent but I know I will one day. I pray for you to have strength through this time and may God bring you peace.*

I'm so sorry for your lose. Carla has always held a special place in my heart. I remember when me and Shane was younger you couldn't sperate us. You would think we was connected at the hip. But Carla would always tell me that she was glad me and Shane was so close. And when daddy would make me mad I would call Carla and vent to her about it. I know she will be greatly missed by many. She was a loving, caring, and great person. I know this road is going to be hard to travel. But I've been there and just let God help you and show you the way. I'm here if yall need anything just call. I love yall
