“ I will miss Aunt Carolyn so much; she was my favorite aunt. I did get to see her when I was visiting the South in January. When we were all talking and visiting and laughing, I would look over at her and she would smile and wink at me. I know I will see her again some day....Love you, Aunt Carolyn

“ Although it has been years, visiting "family" in Mississippi with Momma Grisham was always a trip to look forward to! Aunt Carolyn and her cooking was a very important part of the trip! I sympathize in your loss...God Bless your family.
