“ *This little fellow brought so much joy to me in the short time he was here with us! There is not a day that goes by that I don't think about him. He was such a blessing in so many ways. I wish he could have stayed longer with us. But our Lord needed him home & now I know he is in Heaven dancing, singing & playing with his Nana. You will forever be on my mind & in my heart until we meet again. Merry Christmas sweet Carson your cousins sure do love & miss you so much. Please watch over you little sister Karlie & your Mommy & Daddy! Until we meet again! I love you!*

“ *Kim & Donnie I just wanted to let you know how sorry I am for your loss of little Carson. He was so full of life and always happy and had a smile for everyone he saw. They say that time heals all wounds and I hope that is so. You two are in my thoughts always. Remember that I'm always just a phone call away. Love, Rebecca Casey Jack and Kyson Harris*

“ Kimberly,

I cannot understand what you must feel right now. You don't know me, but I am a friend of your brother, Steven. I hope and pray that you find peace.

“ Carson was a very happy baby. He filled everyone's life with happiness just being around him. He will be sorely missed by everyone but knowing that he is in the arms of Jesus makes it more acceptable. No more shunt and no more crying. His happiness will live on forever.

May God give Donnie and Kim the understanding they need in these trying times. I love you. Grandma

“ There are no words I can say to make this time easier for you, Carson's family who loved and will always love him. God wants Carson to be with Him now, only He knows why. As much as he loved you, there is no one he had rather be with now, and no place he had rather be.

I believe this child's short life will continue to have a purpose in the lives of many and in your very souls. We are still in prayer for you all. Cynthia, Ripley Assembly of Christ
