“ I know this is a sad time for all the family, but I assure you there is rejoicing in Heaven. I am so sorry for your loss, and wish I could come by to see you all, but that is not possible. I would like to use this means to share something I remember about Ms. Charlene. I do not remember what the occasion was, but I was at her house waiting on either Eddie or Tommy, who was either riding with me or me with them.

She shared her concerns about a particular item, while expressing her love and admiration for her boys. In the meantime, she witnessed to me. Never forget that.
