“ I worked with Chuck for ten years at Labcorp. He always made me laugh and was so much fun to work with. I always loved that he had the same sick sense of humor as me!! He was just too sweet for this world! I will always miss him. My love to Angela, Shelby and Ken. I know he is watching over all of you.

“ Angela. So sorry for your loss. Chuck was always a person who lit up the room where ever he was. The last time I talked with him was over lunch at the Hong Kong Restaurant some time back. He always was so proud of you and his family. May the God of all comfort give you and the rest of your family peace in your time of sorrow.

“ Chuck was a really fine person and I got to know him well in the years we worked together. He and I worked together at both MedLab and AEL and he was always diligent in his work, friendly to his co-workers and a great guy to be around. I will miss his hearty laugh and we shared many fun stories over the years. May God bless him and your family.

“ Sullivan Family - During this difficult time, my prayers and thoughts are with you all--- that you gain strength where you are weak and find peace where there is uncertainty. Although Chuck's separation from this earth seems like a loss, it is not; we NEVER lose the people we love, even to death because of the memory that will rest in our hearts and minds forever.

Chuck will continue to be an inspiration to all of us in our every thought and every decision we make. His love, personality, customer excellence and humbleness have left an indelible imprint on my life and the lives of so many others. I trust that you will find comfort in knowing that lives all over this region have been enriched as a result of knowing Chuck.

“ While considering the brief time that I knew Chuck, I feel the profound loss of his death. No matter the situation, he always had a smile and kind words. Even on his worst days, he made sure to walk around the room and speak to each of us, individually. Not about himself, but about us, our families, our health. The world is most certainly a more dismal place for having suffered this loss. To the Sullivan family, I pray God will bless and keep you all. May His grace comfort you at this time, and carry the burden of your sorrow.

“ *"Our Friend" - Who will walk with us to the breakroom and make us smile when we have the blues? Who will bring us crazy sandwiches to try and make my stomach hurt?*
Chuck, you were always a joy for Cara and me. When we moved from our "North Memphis neighborhood" to our "Germantown" neighborhood, it was not the same without you but everyday when you came in you made your way over to say hello to us. We will miss you but God has a better place for you. No more pain, no more suffering.
Rest in peace, our friend.
Your girls, Lorraine and Cara
