“ *I wanted to say how sorry I was to hear of Chelsea passing. I remember her as a small child when I was employed at 1st Baptist Church. I remember her as such a sweet child following me around at play time. My memories of her were always fond and she had an impish smile in her eyes most of the time. I know she will be missed by all, but most of all she will be missed by you and her sister forever, but one day it will become clear that God had much bigger plans for her. Although we don't understand his plans at times.. It is clear to me that he needed another angel and I'm sure he found one in her. With all my prayers and sympathy I do hope that this helps you a little in your time of pain. Susan-Minor-Armstrong*

“ I'm at a loss for words on what to say. I cannot even start to imagine what you guys feel. My family and I are so sorry. It had been a long time since I saw Chelsea, but the last time I saw her, she was such a beautiful young lady. Please know that you are covered in prayer by our family. Even though you'll ask "why" a million times, just know that our Heavenly Father is in control and that He is there for you to lean on at all times. We are unable to make the trip to Ripley for the funeral services, but please know that you are in our thoughts and prayers. We love you! Connie, Tim & Heather Butler

“ Donna, Lindsey & Chyron,

We were so sorry to read in the paper this morning about Chelsea's accident. I wish I could take your pain away, but God is the only one who can do that. I remember Chelsea from when she was just a baby. I remember her having a very bubbly personality. I know you don't understand, how could you. Just cast all your burdens on the Lord, for he careth for you. We love you all, Carolyn & Ken
