This is his great niece, he was a great person.He put everybody in front of himself. He was always there when you needed him. He was loved by so many people. I was lucky enough to call him Uncle Chris. I hate that he is gone, but we all have our time, sadly his time has come. Luckily, he is now in God's hands, still in our hearts.

“ *To the family of Chris, you are in my family's thoughts and prayers during your time of sorrow. Please know that Chris was loved by many of us who were fortunate enough to call him a friend. His absence will leave a void that cannot be filled but his legacy will live on by the countless memories he left with us. Chris would always captivate an audience by his amazing storytelling abilities and you always knew he was around when you heard his cackle of a laugh. I think that's what I will miss most about Chris.*

God bless.
