“ *Carolyn, Just found out on the internet that Claudie Mae had passed away. I always loved her so much and she was always so much fun to be with. She and Mr. Mac were always so good to help out in the community and schools. She was a person who stood on her own and always had a word of encouragement to all she met. It was a pleasure to have known her. I have been in Florida for the past 11 years but I did go by and see her when Pete was in the Nursing Home before he died. Hope you can remember me but if you can't don't worry. You have my sympathy and love.*

“ *I was sorry to hear of Ms. Claudie's passing. She was a very sweet lady. She was always so helpful when she was working with the American Red Cross services. I will keep you in my daily prayers.*

“ Carolyn,

I enjoyed your mother so much through the years. She was always entertaining to visit, and I regret that I didn't see more of her in the last few years. I'm sure that she is visiting now with many friends and neighbors including my Mom and Dad. I am recovering from surgery and will be unable to attend services, but my prayers are with you and your family during this time of grief.
