“ *You all are in our thoughts and prayers, as you've said goodbye to one of the dearest on earth to you. You will miss him so!!! Uncle Doyle went through a lot in his lifetime, but he ran the race and kept the faith!! And, he passed that faith on to you all. May he rest now as he is gathered to his people on the other side. May God bless you.*

“ *So sorry to hear of the loss of your father, grandfather and loved one. I know your hearts are saddened, but your Joy that he is now gone to join your mother in Heaven, is filling your hearts far more than the sadness. May the Lord Bless your whole family during this time, and may He give each of you Great Comfort as only He can. With Love, Colleen.*
