“ *I just found out about Cody from Steve. This breaks my heart. Janet, as you know I was there when he was born. I remember that night vividly. Over the years I have lost a lot of patients, some under very tragic and violent circumstances. But to lose Cody is very upsetting for me. You were the best nurse I ever worked with and I will always treasure our time together in Ashland. My sincere condolences*

“ Praying for all of you, Cody was a sweetheart and loved by so many. I am blessed having known him and we always talked about football and the last time he went fishing, or worked in the yard every time we saw each other. He will be missed.
