“ So sorry to hear about Cindy. We grew up together in Walnut, and I will never forget the hours and hours we spent walking to each other's houses in town just talking and talking, or being a part of the many overnight parties at Ann's house right down the road. May God be with her cherished family in the days ahead.

Wonderful childhood memories together. I hope she has already found Pam and they are having more fun. She will be missed. My sincere sympathy to Mike and all the children.
