“ To the family of Danny Bennett This is Heather Glidewell Wickert. So sorry for the loss of this great man. Lee I went to school with you all twelve years and my heart goes out to you. I know it is going to be very hard. I struggle with the loss of my daughter everyday and it has been 8 months since she was killed. If you all need me for anything I am here, if it is just someone to cry with. Hope God will give you the comfort and the will to carry on from day to day. Just remember you have a very special angel watching over you now and one day we will be united with our love ones forever, in our Big Home in the Sky.

“ Sherry and family... my thoughts and prayers are with you during this time. I know there are no words to make this time any easier, but I do know God's grace will carry you through. Danny will be missed by many. He was always such a joy to be around, in all the years I've known him he was always such a positive upbeat person and never complaining and never a cross word about anyone or anything, so rare this day in time. Thinking of you all.
