“ *Uncle Dave was a great husband to Aunt Bessie. He loved her children, David, Kim and Wes, along with their extended families and friends. Uncle Dave loved all of Bessie's siblings and their families, from California to Kentucky to Wisconsin, Uncle Dave shared his love with all. Uncle Dave and Aunt Bessie were the hostesses with the mostest. Uncle Dave shared his knowledge, wit and wisdom with whomever he was with and always made you feel welcome in his home. No one will ever make a biscuit like Uncle Dave in his special, well seasoned pan. And did he love Catfish junction, we'd always go there with a big group and did "we have us a time" as Aunt Bessie would say. Our visits were so much fun and we shared the fun and you could feel the love when all came over for a BBQ. Uncle Dave would take the kids to the catfish pond to fish and be a lookout out for snakes. You've been so kind to so many...Rest in peace Uncle Dave. With love, Nancy, Mike and Allan*

Kim Wes and David was his step kids. Poppas actual kids was Jennifer and Deborah. That's the problem with this family. Y'all think y'all know everything but you don't. So before you go posting anything get your facts straight. And if you actually loved my granddaddy then y'all wouldnt have stopped coming too see him after grandma died.
