“ *He had an aura of goodness that was infectious. A few minutes talking to him and it made you want to be a better, kinder person just like him. He loved everyone. I am so thankful to God that I got the opportunity to know him at this stage of life. We had gone to school together but never really talked back then. Getting to know him has been such a blessing. He will be missed terribly and he will NEVER be forgotten. My love and prayers of comfort go out to his Momma, his family and to all who knew him.*
