RF

“ *Hamilton family,*

I was so saddened to her about Dixie today. I have such wonderful memories of all the years our families shared together...since 1972! Dixie was dad's right hand from day one at Tippah Co. Medical Group and he cherished her as his nurse, and his dear friend! When Dixie retired, dad would tell people how much he missed having his "other half" at the office...and they would say, "Oh, Mrs. Jean?" He would chuckle and reply, "Oh no, Jean is still here, I mean my other, other, half Dixie!"

She truly was the backbone of that office for many years... so, on behalf of my late parents and myself, I thank you for all the sacrifices you made as a family so that Dixie could hold things together at "the office." Much love to you all and prayers for comfort during this time.
