“ I worked 11 years with Wayne at tippah growers. He had a personality and spunk like no other. He knew how to put a smile on your face. He use to say ,if it ain't broke don't fix it and if it was slap some duct tape on it. I don't think he ever made an enemy cause everyone loved Wayne. He loved his family with do much pride. My heart truly aches for his children. This man made a mark on everyone just by being here and was loved by so many. Prayers for his family for the days ahead. Rest easy my friend and I'll see you again some day. This world will never be the same with you gone.
