“ *thinking about my old buddy Donny I think about all the good times we had together. Met Donny when he was in high school and we would double date We played football after school over next to the horse show in Faulkner. Hung out at the old Texaco station playing Rook. Those were some of my best time growing up. I went in to the Army and went to Vietnam like so many others did. Donny had done the same not to fare behind me. He had wrote to my now wife Brenda and asked if she new were I was come to fine out we were at the same base camp. I went looking for him and found out that he was out at the helicopter pad I went out there an found him. It was so good to see him we talked for a few minutes and then it happened We started getting Rockets coming in around us we dove for a little ditch that was by us. Needless to say that ended our visit. Donny I will miss you old buddy go rest high on that mountain

“ *So many good memories but the first to come to mind was the no quit attitude where Donny made a strong run in the game against Walnut, to set up the winning field goal and giving Falkner football the conference title. He was and always will be a good friend. Rest in peace Clyde.*
