“ *I met Donovan in October 2008 when he lit up my daughter's hospital room. He was a force to be reckoned with--happy, gregarious, and fun, yet gentle and compassionate. Over the past four years, we have had the opportunity to get to know him a little better, and we are blessed because of it. I was impressed with the love and support Nicole Luna provided Donovan until the end. We will miss his presence among us, but cherish our fun memories always.*

“ Donovan and I were in an improvisational comedy troupe called *Totally Improv* together for a year or two. No matter how hard I tried, I never felt like I was as inventive, "quick" and hilarious as Donovan was. He taught me a lot about my own sense of humor, taking it easy and loving life. Later, Donovan. I'll miss you, man.
