“ *Mr Joe, Mary and family,
I am so sorry to hear about Mrs Doris. She was such a sweet lady and I feel so honored to have gotten to know her over these past few years. Her faith in the Lord was evident in the way she lived her life. Some patients become more than just patients, and that is certainly true in this case. Mrs Doris was an inspiration to me and I feel so blessed to have called her a friend. Please know that my prayers are with your family during this difficult time.*

We do have the promise that we will see our loved ones again.
