“ *I very much enjoyed having your mom as my "back door" neighbor for almost eight years. She was a special lady.*

“ *Evelyn, I am sorry to hear of your mother's death. She was a really sweet and kind lady. I meant to get to see you while you were here but we also had a death in our family. My husband's father died Sunday afternoon. I know you will miss her, but we also know that we will meet with her again. I don't know if you will remember me, but I am David Street's little sis. We will continue to keep you in our prayers. Sandra*

“ Evelyn and Paul, your mom was such a sweet person and will be missed by many. Dorothy and Tom were two of my favorite people. We had many good times when your dad worked with mine, we were all like family. I will keep you in my thoughts and prayers and I will always remember how sweet your mom was to me and I will always remember how much Tom loved to pick at me when I was young. You have been blessed by having wonderful parents like yours.

“ Evelyn, I was so sorry to hear of your Mother's passing. She was such a sweet lady, and I know you will miss her. I remember seeing her for so many years at Jennie Mae's Variety Store and remember seeing them together so much after both of them retired--they not only worked together, they were such good friends as well. Please know that you and your family will be in my thoughts and prayers at this sad time.

“ *I have many fond memories of Mrs. Nations working at Aunt Jennie's store on the square in Ripley. They remained good friends after Mrs. Nations moved to Georgia to be near her family. A really sweet lady.*
