“ *To the family of the late GREAT Eddie Owens,*

I have known Eddie all my life and mean no disrespect by not saying Mr eddie or Mr Owens. :-) Eddie fussed at me everytime i said yes sir or no sir to him. I never once ran into him at a rodeo, walmart, or store what he didn't stop give me a huge Eddie hug and kiss on the cheek and ask how my parents were and how the "other family" was.....meaning the surrounding EMS departments. the mold was broken when the good Lord made him and I am priviledged to have known Eddie. Martha my condolences and sympathies. If ever you need us (the other family)you know our number. REST IN PEACE EDDIE. THERE IS A QUARTER HORSE AWAITING FOR YOU IM SURE OF IT! WITH ALL RESPECTS AND LOVE TO THE FAMILY.

“ SAFELY HOME

*I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
...In this everlasting light.*

*All the pain and grief is over,
Every restless tossing passed;
I am now at peace forever,
Safely home in Heaven at last.*

*Did you wonder why I so calmly
Trode the valley of the shade?
Oh! But Jesus' love illumined
Every dark and fearful glade.*

*And He came Himself to meet me
In that way so hard to tread;
And with Jesus' arm to lean on,
Could I have one doubt or dread?*

*Then you must not grieve so sorely,
For I love you dearly still:
Try to look beyond earth's shadows,
Pray to trust our Father's Will.*

*There is work still waiting for you,
So you must not idly stand;
Do it now, while life remaineth,
You shall rest in Jesus' land.*

*When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!*

“ *So Sorry to learn of Eddie's death. In the spring of 1975, I was employed by Piper Industries in New Albany and at the end of the shift I cut my right hand on the Band Saw and was taken to the Union County General Hospital for medical treatment. While the Dr. was sewing up the injury to my right hand, Eddie was assisting him. I was running for a political office and I shook hands with him with my left hand and told him I would appreciate it if he could help me in Tippah County.*

My Daddy got a radio at the end of World War II and I remember him saying that the first radio he ever heard was owned by Mr. Esker Childers, which was probably in the mid 1920's. My Dad said that they would gather there at night and listen to the radio. My thoughts and prayers are with all the family.
