“ *I am so sorry to hear of Edsel's passing. My prayers are offered for the family to cope with his loss.*

Edsel gave me my first job at about age 15 in his grocery next to the post office, and later in the "new building" on north main street, next to the railroad tracks. I worked with him as butcher's assistant, as well as checkout and delivering groceries in the old Studebaker with no back seat.

I have fond memories of that experience. Edsel taught me a lot about life, and I remember his dry wit and chuckle. He was an honorable man, and I am better for having known him. May God grant him everlasting peace.
