“ *Danny, so sorry to hear that your mom has died. I haven't been in touch with your family and missed when Lee Gray died as well, but sure remember her fondly from the old days when Lee and I and you used to play between your house and mine in the woods and ponds where a subdivision is now in Ripley. My dad thought highly of her and talked often of the somehow elusive family connection between our families, I think through Mr. John Shelton(Hickory Flat). Our thoughts and prayers are with you!
