“ *My sincere apology's for not being able to get to the service. Debbie and I were traveling back from wedding in Illinois. As I told Elmer several months ago, he was a man's man with a heart as big as a barrel, a true leader, and one of my mentors that I totally looked up to and admired as I came up in law enforcement. Thank you for taking time to teach a young rookie the ropes. I will miss you deeply.*

“ *I want to say I'm sorry for your loss. I worked with Elmer at Apac and I thought he was the best. I only found out today about his passing. So Katherine and Debbie I extend my deepest sympathies.*
